

Interim Report-"Migrant Labourers in Kashmir"

An empirical study about causes and consequences of migrant labours in Kashmir was carried out by the III semester students of MA Sociology. Professor B A Dabla was the chief investigator and Dr. Sofiya Hassan was Supervisor of the survey. The interim report is based on the findings of the 4200 migrant labourers in Kashmir during the year 2010. For details of the survey contact Head, Department of Sociology and Social Work, University of Kashmir, Srinagar.
